## Multiple Subject **TEACHING CREDENTIAL (CA)**

### ABOUT THE PROGRAM

Launch your career as a credential K–8 teacher. For those already possessing a bachelor’s degree, this California Multiple Subject Teaching Credential is a 34-credit stand-alone post-baccalaureate certificate that meets requirements for teaching within the state of California.

### Highlights

- Complete your Teaching Credential in as little as one year
- This California Multiple Subject Teaching Credential program is approved by the California Commission for Teacher Credentialing (CTC)
- Candidates with a bachelor’s degree in Liberal Studies do NOT have to take the CSET Multiple Subjects exam to meet the subject-matter competence requirements for the credential
- Use your understanding of strengths, learning styles, and temperaments to meet K–8 student needs
- Integrate principles of Christian faith and learning into a variety of subject matters

# COURSEWORK

LAPU's Multiple Subject Credential requires the following coursework.

For more information, please visit: <https://www.lapu.edu/program/teaching-credential/>

When embedded into the Bachelor of Arts degree program in Liberals Studies, completing the Multiple Subject Teaching Credential courses reduces elective credits needed for the degree from 47 to 13 credits. When taken as a stand-alone certificate, a cumulative GPA in the certificate courses of 3.0 is required, and no grades lower than C- and no more than three grades below B- can be counted toward the certificate requirements.

500-level courses carry graduate credit.

## Candidates who successfully complete the Multiple Subject Teaching Credential Certificate program will be able to:

1. Integrate perspectives of diversity and learning needs into a teaching philosophy and classroom practices, in order to demonstrate cultural-responsiveness.
2. Articulate a philosophy of education, based on current research in cognitive, physical, socio-emotional, behavioral, and spiritual development.
3. Design assessment plans that reflect evaluative best practices and contain a variety of assessments (formative, summative, informal, and formal).
4. Demonstrate competency in differentiating instruction, including accommodations and modifications, based on the learning needs of individual and groups of students.
5. Design a classroom management strategy, including routines and procedures, expectations for behavior and achievement, and a plan for progressive discipline.
